## DAVANGERE MUNICIPALITY.

*Notification dated 28th February* 1928.

In modification of this office Notification, dated 8th February 1928, published in the *Mysore Gazette*, Part II-A on pages 165 and 166, it is hereby notified for the information of the public that sealed tenders for the execution of the first stage of the drainage work at Davangere will be received in the office of the President, Davangere Municipality, up to the 20th March 1928 till 4 P.M.

The approximate quantity and the description work required to be done are given in the sub-joined statement and tenders should be sent in the form of that statement duly filling in the column left blank, the rates at which each item of work will be executed. The tenders should be superscribed "*tenders for the execution of the first stage of drainage work at Davangere*" in default of which, tenders will be rejected.

3. Earnest money of Rs. 300 which should be in cash or currency notes or by means of cheque on the Mysore Bank, Davangere, should accompany the tender without which, tenders will not be considered.

4. The plans and detailed estimates may be seen at the office of the President, Davangere Municipality, between the hours of 12 noon and 5 P.M., on all working days.

5. The final acceptance of any tender will rest with the Municipal Council, Davangere, who do not bind themselves to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond on stamped paper in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the President's Office in due course.

8. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

9. On acceptance of one of the tenders, the earnest money on rejected tenders will be refunded.

10. Charges on account of implement for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne entirely by the contractor.

11. Rates for the non-tendered and non-estimated items shall be as per schedule rates of the Municipality or those fixed by the Municipal Council after working out data with not more than 10 per cent for contractor's profit.

12. In all matters not specially provided for and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind the decision of the Municipal Council, Davangere, will be final and legally binding.

13. The work should be completeted before the end of the Official Year as far as possible.
